14-16 °C

### ACCOMPANIES

Wine that goes perfectly with any course.

Suitable for Tuscan soups, cured meats, cheeses.

*Like a delicate, newly blooming flower, the wine is as fresh and aromatic as newborn life. Clear purple hues accompany us into the world of crunchy red fruit, cherries and wild berries, with broad, intense and overwhelming aromas. A forthright and drinkable wine, it beguiles the senses with elegant balance, resonating in the mouth like a cheerful song for the coming spring.*
