### ALCOHOLIC CONTENT

12,5% vol.

### SERVING TEMPERATURE

10-12 °C

### ACCOMPANIES

Wine that goes perfectly with any fish course.  
Perfect to sip during an aperitif.

*The yellow Tuscan summer hills are reflected in the straw color of this wine. Wildflowers, hawthorn, jasmine and white peach trace the path to the nose, vibrating with endless sunny days. On the palate it arrives enveloping, surprising on the finish with mineral freshness and savory notes that harken back to the days when, the hills that cradled it, were submerged by the waters of an ancient sea.*
